Infant Playground Before School

We would like to remind you that pupils playing in the playground before 8.40am should be supervised by their parents/carers. It has come to our attention that early in the morning some children are playing in such a way as to compromise their own safety and that of others. Please note that children are **NOT** permitted to climb on the roof of the train nor climb up the back wall of the playground. Ball games are permitted, provided parents ensure that such games are played with consideration for others walking through the playground. If your child likes to play outside before entering the classroom before entering the classroom please make sure he/she is playing safely.

Reminders

- Father Christmas will be in school on Thursday 10 December to collect gifts for less fortunate children. Please send your gifts into school during the week beginning Monday 7 December. Thank you for your support.
