2NW, 3KW, 3GS, 5RS and 5SE – 0 late marks

290 children walked to school this week. 2NW and 3GS both had the most walkers with all but 2 of the children in their class walking at least part of the way to school.

Congratulations to all our winners. Punctuality was especially good this week. Well done everyone!

### 'The Speaker' Competition.

We would like to congratulate Mitchell Wild in 3KW and Georgia Arthurs in 5SE who represented Chilton at a public speaking contest held last week at the Marlowe Academy. Both pupils spoke articulately and passionately and were a credit to our school.

### Family Cinema Club

The next Family Film Club will be held on Saturday 22 and Sunday 23 May at the Granville Theatre Ramsgate with **'Furry Vengeance'**

Brendan Fraser and Brooke Shields star in this comedy set in the Oregon wilderness. A real estate developer faces a unique group of protestors – woodland creatures who do not want their homes disturbed.

There was a magnificent response to the previous shows and in order to avoid disappointment the arrangements for buying tickets are now as follows: - you are no longer able to send money into school to purchase tickets but will need to come into school on Tuesday 18 and Wednesday 19 May between 3.15 and 3.30pm. Mrs O'Grady will be selling the tickets for £1 each in the school reception area at these times.

### Small Steps Training

For a number of years Kent Highway Services have been providing us with a fantastic road safety course called 'Small Steps' which is only available to a few schools in Thanet. In order for this course to go ahead a number of volunteers are required to help teach the children in Year 2 a variety of skills. Unfortunately two meetings have been held and no volunteers have attended – next week will be our very last chance to carry out this vital course.

Please join us for afternoon tea at 1pm next Tuesday 18 May to meet Mandy and myself to find out more. The course will be run every Tuesday and Thursday afternoon until the end of July. As a parent who has participated in this scheme before I found it a great opportunity to interact with the children and staff, made new friends and learnt new skills. As a health & safety governor I am keen for this course to go ahead as the children are given a rare opportunity to learn skills they will use throughout their lives.

Catherine Hurst – Parent Governor
