## Newsletter 19<sup>th</sup> March 2010

### Weekly Awards

**Super Dog**

Maxine Scott

**Bat Monkey**

2NW

**Attendance Ted**

4MV – 99.6%

**Punctuality Pup**

3GS – no late marks

**Walk on Wednesday**

295 children walked to school this week – a few more than last week.

Hopefully now the weather is better we will be able to improve on this number even more. Once again 4MV had the most walkers with 27 out of 28 walking.

Well done!

Congratulations to all our winners

### Water Bottles

We are encouraging **all** pupils to bring in a water bottle daily. Keeping well hydrated throughout the day boosts mental capacity. When we are thirsty our memory, attention and concentration can decrease by about 10%. Please ensure your child brings in a bottle of water every day. It can really make a difference to their learning!

### Relief Midday Meals Supervisors

We currently have vacancies for Relief Midday Meals Supervisors. If you think you might be interested in working on an '*as and when needed*' basis please contact the school office for further information.

### Tesco Computers for Schools Vouchers

Tesco's have advised us that for every domestic ink cartridge we recycle through them they will give us **10** vouchers!! This scheme will run through out the whole year not just for the period they give out vouchers in their stores. This is a fantastic opportunity for us to obtain even more IT equipment for the children – the Tesco scheme is very generous and we really benefit from the items we receive. Please think of us before you put your old cartridge in the bin and send it in to school instead. Thank you.

### Numeracy Course Taster Session for Parents

During the Parent/Teacher Consultations on Monday 22 March there will be a Numeracy course taster session for parents. The aim of the course is to show parents how to look at Maths in a fun way and how to be able to assist pupils with their homework. The course, which will be held at Ramsgate Library, is run by Kent Adult Education Services and is also able to help parents gain qualifications that would assist with employment.

If you would like to know more join Mandy Wells for a chat between 4.30pm and 7.00pm on Monday 22 March or please feel free to contact her on 01843 256205.

### Window Replacement

This weekend sees the start of our window replacement programme. There will of course be workmen on site and as a result there might be minor disruption during the works. In a meeting today we have worked hard to ensure that any disruption to classes is kept to a minimum and that all Health and Safety procedures have been reviewed and are fully complied with.
