Kent Wildlife Trust Festival of Wildlife

Kent Wildlife Trust's Annual Festival of Wildlife is being held at Pegwell Bay Country Park on Saturday 12 and Sunday 13 June from 10am – 4pm. Entry is free to all. This event is for all the family and, as well as stalls and refreshments, there will be activities such as Land Rover Safaris, guided walks and, new for this year, a companion Dog Show and chainsaw carving demonstrations. Visit KWT's website for more information about their work and the events – www.kentwildlifetrust.org.uk

Open Day

On Thursday 24 June Chilton Primary School will be holding an Open Day between 6.00pm and 8.00pm. Everyone (parents, grandparents friends and other relatives) is warmly invited to come and see all the amazing work, activities etc. the children have been doing over the past year.

Small Steps Training

Can I take this opportunity to thank the two ladies who have kindly volunteered to assist with the road safety training for 2NW on Tuesday afternoons. Their help has ensured that this vital course can carry on again this year.

Unfortunately we still have no assistance for Thursday afternoons for 2HB which means that we will find it difficult for this class to benefit from the skills that this course has to offer. With only the KCC representative and myself every effort will be made in the time available to us but it will be extremely hard to train 30 children to the same standard.

Please can I take this last opportunity to request any volunteers for either the Tuesday or especially the Thursday afternoon sessions from 1.00pm as every child should be able to benefit from these life saving skills. Full training is given to all volunteers for this very simple course that can really make the difference to a child's personal safety in the future.

Catherine Hurst – Parent Governor.

Rugby

There will be no rugby on Thursday 27th May or Thursday 10th June, as Mr Dale will not be in school on either of these dates.

'A Mum's campaign to save a kid's life' from cancer

One of the families in our school is starting a campaign to gain government support to raise awareness amongst parents and careers of the differing types of cancers that affect the lives of children and how to spot their signs.

This is a campaign that is currently gaining a lot of attention. This week it was the headline in the Thanet Gazette, there has also been interest from the BBC and other TV station programmers. Please lend your support to this worthwhile campaign.
