Walk on Wednesday

Five Thanet schools have been recognised for their commitment to improving the environment by reducing car journeys. Chilton Primary was the Top Walk on Wednesday (WOW) School in Thanet taking 1779 school run car journeys off the road in terms 1 and 2. We are very proud of all our pupils (and parents) who make the effort to walk to school on Wednesdays. Thank you.

Local Authority Caterers Association.

Chartwells, our school caterers, entered 8 hopeful candidates to go head to head to create a two course meal suitable for primary school children. Louise Shelton, our cook, rose to the top spot and on 24th February went to the semi-final in Brighton. Only 6 cooks made it through to the semi-final and we would like to congratulate Louise for being one of them. Louise narrowly missed winning but it was a tremendous achievement to get so far. Well done Louise!!

Sport Relief

Chilton will be supporting Sport Relief during the week beginning 15th March. All money raised by Sport Relief is spent by Comic relief (Year 6's adopted charity this year) to help transform the lives of poor and vulnerable people around the world. Each year group will be organising their own sport-related challenge – joining many others around the UK who will be getting active to raise cash. Your child's teacher will be sending home information about the challenge for his/her year group. Please be assured that any money requested is on a voluntary basis – there is no expectation that children must raise money in order to participate.

Reminders

- Please remember to send in any out-grown blue and white checked school dresses and grey shorts in good condition for the school in The Gambia. We have already received quite a few dresses but no shorts as yet. If you have any grey shorts that no longer fit your child please send them into school. Thank you.
- Parents Information morning on Sounds-Write on Thursday 4 March 9.00am to 10.00am.
