Sun Protection

Now that the better weather has finally arrived please make sure that your child has a sun hat and a water bottle in school every day. If the weather is forecast to be very hot please either put sun cream on your child in the morning before school or send in a named bottle of sun lotion so they can apply it themselves before going outside. Thank you.

Foundation Stage Outdoor Equipment

Please would parents ensure that children (including pre-school children) do not play with the Foundation Stage play equipment at the beginning and end of the day. Some older children have been taking scooters and bikes and riding them around the playground, causing problems for our younger pupils. We are also rapidly losing balls, which are taken and end up over fences etc.
