

PTFA AGM
Wednesday 15th September 2010

Apologies: Emma Bowmont will be late and Michelle Rayleigh Strutt is unable to attend.

Sarah – Jane Thanks everyone for attending and welcomes any new ideas.

Michelle talked about the financial report. This figure includes £200 expenditure from the summer fayre. However the figures do not include the income from the summer fayre as the cut off did not allow us to file these figures until next year.

We have donated £5000 to the school this year which is an amazing figure. This figure does not include £1000 that we have agreed to donate for lighting for the hall as requested by Mrs Veale. As we donated £3000 last year so we feel we are making an improvement year on year.

Halloween disco

Confirmed date Wednesday 20th October

Cassie is going to find out if she can get some lights etc for a disco that would be free. Sarah Jane is going to request on news letter if anyone at the school knows a dj who would volunteer their services? If not the dj needs to be confirmed. We had a vote and it was half and half who thought using the PA system at no cost or hiring a dj would be better. So asking for donated help.

Helpers who have volunteered are:

Gina, Sarah Jane, Michelle Avory, Danielle Lane, Sandra Jewell with Laura Burt Davis, Esme, Chloe, Amanda, Paula, Tina, Sarah Marsh and Cassie is a maybe.

A.O.B

A message to Mary Veale. £1000 has been paid for the lighting.

Catherine Hurst would like to know why the books for reception children donation of £1000 is not on the treasures report. This is because the request for funds was allowed but no one has come forward for the actual money yet.

Annual expenses have been confused at the next meeting we will discuss and confirm what we are supposed to pay for e.g. Leavers shirts, magic man and Easter eggs.

If we are still saving to improve ks1 playground to paint the walls and get new play equipment can we put the whole school bidding for ideas and then a vote rather than fritting away the money we raise on requests as they come in?

Next Meeting

Wednesday 6th October 7pm at the Sir Stanley Grey.
